RE: POTLATCH TELEPHONE COMPANY ("POTLATCH") REQUESTING
COMMISSION APPROVAL TO REMOVE WARM LINE, HOT LINE AND
REPEAT DIALING SERVICE OFFERINGS; ADVICE 13-03.

BACKGROUND AND DISCUSSION

On July 9, 2013, Potlatch filed Advice No. 13-03 requesting Commission approval to eliminate Warm Line, Hot Line and Repeat Dialing services. The Company is currently in the process of upgrading some of its switches with new Metaswitches that do not support these services.

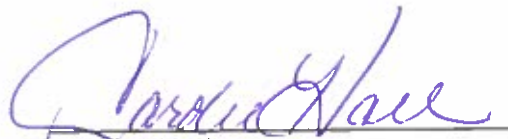

Staff contacted the Company to find out how many customers were going to be affected, what revenue impact this would have on the Company and what notification action was underway. The Company's response was that currently there are no subscribers to these services and there will not be a revenue impact. The Company did state that a bill message would be included in its July 28th bill notifying all customers that with the switch upgrade, these services will no longer be available.

STAFF RECOMMENDATION

Staff has reviewed this tariff filing and recommends approval.
